WELCOME TO C & C CHICKEN

As an Australian privately owned family business with a combined 60 years experience, C&C Chicken are passionately committed to delivering fresh, premium products to all our valued customers.

Our fresh signature schnitzel range retains a favourable position in the market, with chefs able to save labour costs and reap efficiency gains in their kitchens.

From working with executive chefs to refine and perfect customised lines to fulfilling last minute urgent requests, our team is always responsive and accommodating with around the clock contact and extended delivery times.

Our Mission: We desire to supply our products in the kitchen of every food establishment, at the dinner table of every home, and at the lunch table of every cafeteria with the highest attention to product excellence and outstanding customer service rendered by an inspired and nurtured workforce.

Our Vision: To become Australia's leading and favourite supplier of chicken value-added products, and in so doing, enriching our people, customers, suppliers, and the community in an amiable and empowering way.

Our Value: We are value-driven individuals collectively bound by the virtues of integrity, honesty, and transparency for the enrichment of our people, customers, suppliers, and the community.
